Jamie,
We are going to be offering another site tour of Allied Landfill on September 10th. If you hear from folks who have questions about Allied Landfill, they are welcome to join us. You can have them contact me and I will let them know how they can come on the tour.
Michael

Hi Michael and Jim,
You will probably see this in the enewsletter I just sent out, but in case you missed it, I've attached our recently adopted position statement on Allied. We've decided to send this out publicly. It's similar to what you might have seen earlier this spring.

Best,
Jamie
